

SnapConnect

Easily create and assign Plnar projects to anyone
- from anywhere

About SnapConnect

Plnar's out of the box solution for carriers who need flexibility in the way Plnar assignments are sent, and to who they are sent. Desk adjuster to a third party provider? Check! Adjuster in the field needs to send assignment to themselves? Check! We even offer a SnapConnect webpage where your FNOL team can assign claims without using a claim system or the Plnar Portal!

- ✓ **Enables 3rd Party Providers to Take Interior Pictures on Behalf of Policyholders**
- ✓ **Already at the loss site? Use SnapConnect to assign a project to yourself without having to utilize your claim system or the Portal**
- ✓ **Easily empower your FNOL team with a SnapConnect landing page to assign claims to policyholders or adjusters.**
